

CLG Coill an Chlochair N. Mhuire / Ceapach

Killyclogher St. Mary's / Cappagh GAA

2021 Tuarascáil Bhliantúil an Rúnaí Secretary's Report 2021

Welcome to the Secretary's Report 2021.

Once again it has been a very eventful year in the life of Killyclogher / Cappagh GAA with Covid still lurking in the shadows waiting to strike at any opportunity. Club life, however, has continued almost unhindered, all be it that we have been unable to run our club bingo and some of the Scór activities have been restricted. The club is all about Community and we would be nothing without the many members who participate and those who work tirelessly in the background to ensure that the resources and facilities are in place for the activities happen.

We are hugely appreciative to all our members who help out on match days, whether it be the parking of cars, collecting at the gate, selling lotto tickets, half time draw tickets, making tea, selling tea/coffee, lining the pitch, etc. It takes you all to keep things running smoothly. Thank you. A special word of thanks must also go to our members, particularly our younger ones, who turned up for 2/3 Saturdays in a row to spruce the place up. Thank you!

Another initiative that has become an annual event is the Litter Pick and once again this was a great success with the majority of roads in and around the Parish given a clean-up. A big thank you to all our members and non-members who turned out to lend a hand. This is a very worthwhile Community event which will hopefully continue each year.

This year has brought about the welcome revival of underage hurling in the club with our aim being to build on this year-on-year. We have also welcomed the arrival of the Dads and Lads football to complement the Gaelic 4 Mothers and Others which has been running for the last 3 years. These are great social and physical outlets for all involved and I have no doubt will go from strength to strength in the coming years.

As I'm sure you're all well aware, it takes a lot of money to run any GAA club for ground maintenance, senior teams coach expenses, football kits, footballs, heating, electricity, insurance (property and GAA), affiliation fees for all the teams, etc. and that's only the annual running expenses! We are indebted to the many income streams particularly our extremely generous sponsors. Cairde Cappagh members, Lotto, pitch signage, membership, shop sales all enable the club to function financially each year and we continue to be grateful to all you who contribute to these areas. We are however, in need of a major cash injection in the coming years as we hope to complete a number of potential projects in the club grounds. Some of our proposed plans include; the community walkway around the grounds, terracing on the side of the field opposite the stand, refurbishment of the old stand, a children's play area, gym equipment, ride on lawn mower. If you would like to assist the club bringing these projects to fruition and would like to contribute to any of the afore mentioned income streams or indeed give of your skills or time to develop these projects, please contact any member of the committee. We are ever-willing to accept help.

Alongside our successful year on the club front, our members have been making a name for themselves on the national stage with huge congratulations going to Tiernán McCann and Mark Bradley for winning Ulster and All-Ireland medals with Tyrone, to Gavin Potter, Michael Rafferty and Caolan O'Hagan for winning Ulster U17 Tyrone medals and losing out by the narrowest margins in the All-Ireland final. We were delighted to congratulate our senior Scór Set Dancers on winning the Ulster title and again narrowly losing out in the All-Ireland final and well done to Karla Corcoran on finishing runner up in the Ulster U13 girl's handball. Last but not least, we are extremely proud and delighted to congratulate Donal Magee on his award from Croke Park for his service to Scór. Well-deserved. BUALADH BOS DOMHNALL AGUS GACH DUINE EILE.

Not only is the club excelling on the pitch, but through our Health and Well Being Committee, it is having an impact off the pitch too, with a number of ongoing initiatives that not only benefit our members but indeed the whole community. Among these are the partnership with SVP in raising much needed funds to help those less fortunate, the Mental Health Awareness features on social media, the nutrition and healthy living advice signposts, the promotion of non-smoking inside our club grounds and the availability of our Defibrillator 24/7. A big thank you to Una and the team for all the work and much more in delivering these.

Due to Covid there has been a reduction in the number of social events/occasions held in the last 12 months but the Christmas decorations at the club last year with Santa (take a bow Paul Sweeney), the two big breakfasts in the Village Inn for the Senior Ladies and Set Dancers and the obstacle course around the pitches (take a bow again Paul Sweeney) were occasions that stand out as they enabled members to meet up and socialise with each other.

I have to give special mention to the success of our Reserve footballers in 2021. This panel of players have grown from strength to strength in the last couple of years and got their fitting reward when they won the Reserve Championship. I was delighted for the players, Chrissy and management team as the reserves are always in the shadow of the seniors but this year they came of age and were deserving Grade 1 Championship winners.

Ladies football continues to go from strength to strength in the club, and one event that stood out for me above everything else had to be the senior ladies' final in Fintona against Trillick. The crowd that turned up from the Parish to cheer on the ladies that Sunday was truly amazing with all age groups and genders represented and although the result didn't go our way it was heart-warming to see the huge numbers turning out to support them.

I don't like singling people out, but I would like to praise our Youth Officers Cathal Green and Kate McAleer for the work they do. Firstly, they have the task at the start of each year in getting coaches for all the various youth teams (and that would not be easy) and then every Sunday during the year they have a planner prepared where every coach knows exactly when and where his or her team are training in the week ahead. With the number of teams in the club that are training and playing games each week, this is no mean feat, and believe me there is very rarely any discord so you are doing a tremendous job. Thank you!

Finally, to everyone who helped me during the year, to everyone who sent me the reports on their area of the club and to Brendan who was always at the end of the phone when I needed advice, a big big thank you. You made the job that bit easier.

Go raibh maith agat, tabhair aire

An Runai

Eamon McGrath

Gaelic Start

Team performance - Gaelic Start was run this year every Sunday morning for approx. 4 months and we had big numbers for the first few months - 60+ kids. Half the kids progressed to U7.5 Boys and U8 girls within 8 weeks so the numbers dropped to 35/40 on Sundays. The kids and parents were very positive about the programme and liked that we ran it constantly. The kids came on a lot in the drills and it will definitely help the U7.5 and U8 coaches as they are getting kids that know basic movements and coordination.

Coaches - Cathal Green, Kate McAleer, Liam Cunningham ably assisted by some parents and boys and girls from the U14 and U15 team.

U9.5 Boys

There was excellent attendance at U9.5 boys training sessions throughout the year, with 20 to 30+ attending hail or shine. Boys are to be commended for their effort and enthusiasm at all sessions, with real progression evident in all the lad's skills throughout the year. While training focused initially on improving the fundamentals of kick-pass, hand-pass, catch and solo, training also worked on positioning for pass, agility and movement while promoting hand and kick pass off both sides during drills and practise games.

Again, due to restrictions no multi-team blitzes or competitions during this year, which was a real disappointment to both players and Coaches. Through Go-Games fixtures we were able to host "Single-Club" games against Loughmacrory, Carrickmore, Dromore and Omagh and played away to Omagh, Fintona, Trillick, Errigal Ciaran and Carrickmore.

The U9.5 Coaches look forward to seeing those moving up to next age grade progress and develop in the coming years and would also encourage all players to continue to keep the practise up over the winter break.

Special thanks to Catherine Hyland and Ferghal McVerry who were our Covid Supervisors throughout the year for all training, home and away games. Also, thanks to all who helped referee and arrange our hosted Games.

Coaches - Barry Donnelly, Brendan Wilson, Gerard McCrory, Paul Dillon and Mark Brennan.

U11.5 Boys

Team performance - the return to Gaelic training and Go-Games in 2021 was much welcomed by our U11.5 boys. The 2021 U11.5 boys being a relatively small group in number in comparison to other year groups and other teams in our Go-Games groups. Post lockdown we saw several new members join our group to try Gaelic football and for the first time, we welcomed members from different countries and cultures who are settled in our community.

We had a maximum number of 26 boys registered and during summer holiday weeks we saw numbers at training dwindle to 9 causing a 3-week break in activities.

Go-Games training guidelines were followed, and skills development and progression were remarkable in this age group who are focused and spirited athletes.

With the small numbers we had to field 2 x 9 aside teams of mixed ability teams. Games played over 4 periods with everyone getting game-time at all fixtures. With small numbers most of our players had to play all 4 periods, often against teams who had the advantage to bring on fresh legs. This age group were never found wanting and proved they can hold their own against any team in our section.

For those lads moving up to U13.5 we wish them well and know they have the skills and confidence to make an impact going forward in our club.

Special thanks to Shane and Toni Broderick for support with the Covid questionnaire administration.

Coaches - Riain MacBhloscaidh, Barra O'Neill

U13 Boys

Grade 1: League - Played 10, won 4, lost 6. Championship - Played 2 won 1, lost 1 .

Team Performance - In the league we had good wins home and away over Dromore and Omagh. We beat Donaghmore in the first round of the championship but came up against a strong Errigal Ciaran side (who went on to win the championship) in the next round and after a very promising start when we should have been further in front, we lost by 8pts. This panel of players have plenty of potential and will get stronger as a team as they grow older.

Coaches - Paul Sweeney, Paul McCarney, Davy McCrory, Noel Sweeney, Neil McDermott and Paul Baxter.

U15 Boys

Grade 1: League - Played 10, won 4, lost 5 drew 1. Championship – Played 1, lost 1.

Team performance - the team has shown great application and vast improvement over the year and we have reason to be very happy with the progress made. Given that we played most of our games last year with a very depleted team and, as a consequence were uncompetitive, we have turned that around to almost always fielding a full team that were competitive with every team in our section. We do believe that with the bonds created and the progress made and if that continues, we will see a lot of these boys play up the grades and certainly at senior level.

Championship performance - beaten in the first round of the championship by the eventual winners Trillick for the second year in a row. We had them concerned for a large portion of the game but made a few mistakes that we could not recover from to get beaten on a 4.11 to 0.12 score line.

We were beaten by the same opposition by over 40 points last year so the gap has closed substantially.

Coaches - Kieran Howe, Cathal Green, Shane Broderick, Covid Advisor Nicola Cox

U17 Boys

Grade 1: League – Played 11, won 7, lost 4.
Championship - Played 1 lost 1.

Team performance - A very positive year from this team. A very dedicated and easy to work with team that have a lot of qualities I am proud of. They gained a bit of respect from their rivals due to their performances and will ultimately be better off in the long run as a result. I fully enjoyed this year working with such a good crowd of lads. Special mention to our 3 Tyrone minors representing this team well.

League performance - qualified for league semi-final after finishing 2nd in the group with 14 points, 1 behind Loughmacrory. Scored 227 pts in 10 games - an average of 0-23 a game. Played Donaghmore in the league semi-final, after being beaten by 36 points 6 months previous we were defeated by 10.

Championship performance - 2-13 to 3-13 defeat against Ardboe. A disappointing end to the year considering how well we had performed throughout the campaign. A valiant effort we probably lacked the experience to win a big game which proved costly in the end up.

Coaches - Conall McCann, Gábhán Sludden, Liam Cunningham and Tommy Nugent.

U19 Men

Grade 1: League – Played 5, won 2, lost 2, drew 1. No championship played.

Team Performance - this was a difficult team to coach as we had many problems to deal with. The team was mostly made up of U17 player's and with the U17 and U19 fixtures being played on the same week the result was that we were unable to have any training sessions where we had everyone out training. From our first training session the players knew about these problems but decide to put in a big effort to improve from last year. We feel overall they did improve. In the first two games we played we drew against Kildress and beat Trillick. In our third game against Omagh which was our worst game of the year we were well beaten. Omagh got a good start on us and the lads didn't respond to it. This was a hard lesson for our players but one they will learn from. We did respond well in our third game with victory against Strabane which give us confidence going into our last league game against Carrickmore.

We performed well against Carrickmore and were in a good position to win the game only for the lads to lose focus near the end and let in 2 goals. The disappointments of the season were that the County Board didn't run a championship and it would have been nice to have more league games, something which they would need to look at for 2022.

Coaches - Fearghal McDonald, Mark (Sparky) Bradley, Eamon Mc Grath, Jason Doyle. Covid officer - Martin Mc Dermott.

Mens Senior Football

The Senior Football Championship is the most prestigious competition in Tír Eoghain. The O'Neill Cup is the holy grail. It is the most sought-after trophy. Yet the only way to be able to compete for it is by playing league football in Division 1.

League status determines the championship you play in. League performances are vital for staying in the top flight. It is dangerous to dismiss a poor league performance with "it is only a league game." Good league performances are important for getting a winning attitude; for securing a place in the top half of the table and, even better, for challenging for a league title and a championship to put the icing on the top.

The regular flow of games keeps the players interested and boosts attendance at training. High level performances in various youth competitions keeps a supply of talented youth players going forward to play senior level and maintain good numbers available for Senior and Reserve selection.

Mark Henry and Brian Treacy are very aware of this and make a point of talking to these young players individually and encouraging them to get totally involved in the club. We are also fortunate to have senior players, county and club, who also make the young players welcome. Some of these young players, juveniles and minors, are also very willing to coach and encourage the even younger boys.

The senior managers also worked in harmony with the ladies, senior and youth, and the wide range of young boys with regards to changing facilities. Times for coaching and games were planned to avoid clashes. Hurling also got its turn at youth level. We should be grateful to our senior football managers that they favoured cooperation and not confrontation.

Our performance in the Senior Championship did not reflect the effort that was made by so many to prepare for it.

It is to the credit of the players that in the weeks following our defeat we had sufficient numbers attending training to be able to round off every session with a full-scale game.

Well done to Mark Bradley and Tiernán McCann on their outstanding achievement in winning All Ireland senior football medals. Their promotional work with our young players is very much appreciated as is their general contribution to our club.

Our Reserve team defeated Donaghmore, Trillick, Omagh and Pomeroy to win the Reserve Knock-Out for the first time ever. A well-earned reward for players and management. It is also fitting to pay tribute to the work done at youth level down the years.

Chris Gorman, Petey McGinn and Jason Doyle took charge of the Reserves at match day. Mark and Brian worked closely with them and were on the sideline to help.

Damian Cox provided physio and medical assistance and Dr. Brannigan could also be relied on to help when needed.

Harry Henry helped with the stats and Paul McFadden also provide information when available.

So, our Division 1 status was maintained for 2022 and our participation in the Senior Championship guaranteed.

Senior league games

- Killiclogher 2-10 Coalisland 2-9
- Donaghmore 1-12 Killiclogher 1-11
- Killiclogher 2-12 Galbally 0-8
- Omagh 0-9 Killiclogher 0-8
- Carrickmore 0-13 Killiclogher 1-10
- Killiclogher 1-9 Pomeroy 1-15
- Killiclogher 2-9 Ardboe 2-15
- Derrylaughan 0-8 Killiclogher 0-9
- Killiclogher 0-8 Trillick 0-6
- Errigal Ciaran 2-14 Killiclogher 4-6
- Killiclogher 1-12 Dromore 1-18
- Killiclogher 0-15 Dungannon 0-13
- Clonoe 2-10 Killiclogher 2-17
- Edendork 1-5 Killclogher 6-8
- Killiclogher 1-11 Eglisli 3-5
- Moy v Killiclogher 5th December
- Loughmacrory v Killiclogher 12th December

Senior championship

- Killiclogher 1-10 Donaghmore 1-9
- Killiclogher 1-6 Trillick 3-14

Reserve league games

- Killiclogher 2-5 Coalisland 0-10
- Donaghmore 1-6 Killiclogher 2-12
- Killiclogher 3-5 Galbally 0-4
- Omagh 0-9 Killiclogher 4-15
- Carrickmore 2-9 Killiclogher 1-6
- Killiclogher 3-14 Pomeroy 2-9
- Killiclogher 1-13 Ardboe 1-11
- Derrylaughan 1-9 Killiclogher 4-8
- Killiclogher w/o v Trillick
- Killiclogher 3-8 Dungannon 1-21
- Edendork v Killiclogher Pts to Killiclogher
- Killiclogher 3-12 Eglisli 0-15
- Moy 0-9 Killiclogher 5-11
- Errigal Ciaran 2-17 Killiclogher 5-3
- Killiclogher 4-10 Dromore 1-6
- Loughmacrory v Killiclogher Pts to Killiclogher

Reserve Knock-Out
Killiclogher 0-13 Donaghmore 0-5
Killiclogher 3-13 Trillick 1-11
Omagh 0-14 Killiclogher 1-12
Pomeroy 1-7 Killiclogher 2-9

Brendan Harkin

Mens Reserve Football

The Reserves started as they finished last year with good results in the league. It has been a massive step for this group going from a team that was normally in the lower half of the league to a team challenging for the league. The team played 16 games in the league winning 13 and losing only 3 to finish second in the league. We used 35 – 40 players in the games showing that there was good strength in depth. The players gained vital experience which in these games and in training with the seniors which enable a lot of them to push on and play in the senior team.

When the Reserve Championship started the team were in a good position and beat Donaghmore 0-13 to 0-05 in the first round. In the quarter final we beat Trillick 3-13 to 1-11. In the semi-final we played a hotly fancied Omagh team, however the team displayed massive heart and determination to emerge victorious on a score line of 1-11 to 0-14. The team was now in a first ever Reserve Championship final and this was played in Loughmacrory on Thursday 26 August. History was made that night as we beat Pomeroy on a score line of 2-09 to 1-07 to win a first ever Reserve Championship. This group has been a pleasure to work with and a credit to the club with many of them ready to push on to the senior team.

This has been a great year for our Reserves, and I have no doubt with the strength in depth we have we can push on and be a top team in both seniors and reserves for years to come.

Coaches - Chris Gorman, Pete McGinn, Jason Doyle.

Dads & Lads

GAA for Dads & Lads is a social football programme for those keen to enjoy Gaelic Games outside the traditional competitive structures of the GAA. The first get together for the Dads & Lads of the club was mid-August. At the first session we had a turnout of 12, week on week new faces turned up and now, almost three months later there are 35 Dads & Lads enjoying a weekly get together for a game of Gaelic Football. Quite a few clubs in the surrounding area have also got on board with the initiative and to date the team have played games against Greencastle and Trillick. They have also taken part in two blitzes, one organised by Omagh St Enda's and the other organised by the Greencastle club. Through the course of the two blitzes, they have played games against Augher, Trillick, Omagh, Greencastle and Dromore.

While the essence of the initiative is about enjoying non-competitive games it is clear very few in any of the clubs have lost their competitive streak!!! The team also travelled to Dublin on 4th December to compete in a National Dads & Lads blitz in the GAA National Games Development Centre in Abbottstown.

The programme has been very successful so far, and arguably the most rewarding part of it has been the number of men who are participating who are from outside our Parish originally, it has helped them to meet people who they may not have had an opportunity to meet otherwise. In the current climate the importance of this cannot be underestimated and it is hoped to promote and grow the initiative even more as we move into 2022.

Barry O'Connor

Ladies Football

U8 & U10 Girls

With 2020 being something of a non-event for our U8s and U10s in terms of actual games, we had hoped to hit the ground running early in 2021 to make up some of the time lost in the previous twelve months. Unfortunately, with more restrictions in place it was mid-April before we got the girls out for their first training session on grass. The first few months of the year were not completely wasted as some of the older girls had participated in online Zoom sessions kindly delivered by Gary Wallace.

When training did commence, any concerns we had about numbers in the two age groups, were quickly dispelled, by the third session we had over 70 girls across the two age groups attending sessions. It was very encouraging to see so many new faces out enjoying our Gaelic Games. As a coaching group our aim was to get the girls as many games of football against other clubs as we possibly could. At the end of April, we organised two games in quick succession against Errigal Ciaran and Carrickmore. The U10s acquitted themselves very well in both games and showed glimpses of the enormous potential this group of girls have. The U8s took longer to settle in both games but this was to be expected given the events of 2020 and the fact many of them were only learning the skills of the game. Training continued Tuesdays and Saturdays with a few more challenge games organised ahead of the start of the Go-Games in mid-June.

For the Go-Games, our girls were placed in a group with Omagh, Drumragh, Strabane, Badoney and Sperrin Óg. Games were played home and away meaning our girls got ten competitive games of football. As each game passed it was evident that our U8s were becoming much more confident in their own ability, they were clearly playing more as a team and beginning to understand the rules of the game much more, it was also refreshing to see more new faces arrive to training on Tuesdays and Saturdays. The U10s, who have built up a good rapport now for the last three years kept improving game on game too, and it wasn't a case of one or two dominating in the games, there were strong players in all areas of the team.

The Go-Games fixtures finished up at the end of August, however we continued training and played home and away challenge games against Omagh, Dromore and Loughmacrory.

The U10 girls got invited to a tournament hosted by Errigal Ciaran on 16th October, during the tournament they played games against Errigal Ciaran, Bredagh, Dromore & Omagh. Our girls progressed to the Shield Final where they played and beat our neighbours Omagh in a very competitive game. Whilst winning is not a major priority at this level, the enjoyment and confidence the girls got from winning was evident for all to see and there were broad smiles on the faces for a few days after. It's fair to say some of the parents got enormous satisfaction from the win too!!!!

All in all, it has been a very successful year for both age groups and we hope to build on that going into 2022. Quite a few of the girls and their parents have expressed an interest in some training over the winter months and this is something we are currently investigating. We will also have to look at how we plan for next year, with the bigger numbers this year getting adequate pitches for training sessions proved a challenge for large parts of the season and we were quite restricted at times in terms of the confined spaced we were often forced to work with.

Coaches - Shauna Sloan, Gary Sloan, Shane Tracey, Mark Tracey, Aidy Patterson, Kate McAleer, Mary Kate McBride, Laura Corcoran, Brona Cunningham, Clíodhna Cait Rafferty, John Coney & Barry O'Connor.

Covid Supervisors - Orla Forrest, Una Doherty, Rita Fox & Aine O'Connor.

U12 Girls

Team performance - Overall, a great season with the U12 girls. Approximately 40 girls of all abilities attended weekly training sessions. The U12 Girls seemed to really enjoy the training sessions, drills and the learning and developing of skills and tactics each week. Every girl received game time and the girls all progressed with the more matches they played throughout the summer season. There was a great team spirit within this group of girls when attending weekly for both trainings and matches. A lot of new players joined and were very enthusiastic to take part, learn the rules, positions and to be a part of a team.

There is a bright future ahead for this lovely and lively bunch of girls and our season ended with a little pizza party to celebrate the great season the girls had.

Coaches - Steph Patterson, Grainne McCann, Caitlin Kelly, Amy McPhillips, Nicole McKenna and Shauna Sloan

U14 Girls

League performance - With only one competitive game played in 2020 at U14 level, the start of the season couldn't come quick enough for these girls. However, the first few months' training was restricted to online strength and conditioning sessions facilitated by Gary Wallace. It was mid-April before we got the go ahead to resume training. Our numbers were very good, and we were working with a panel of approximately 27 girls, the age profile ranges from Year 8s to the younger Year 10s, and this quite often can prove a challenge getting the girls familiar with one another.

Coupled with that, given the lack of competitive football, it was difficult to gauge where the team was in terms of what grade to place them in for the season ahead. With the large panel we opted for grade 2 knowing that if nothing else, we would get 15-a-side games and that would enable us to get the girls plenty of football.

As coaches we made it clear from the outset that the oldest girls would get priority in terms of team selection regardless of ability and that our training would be focused on improving the girls individually and collectively as a team. Before the league commenced, we managed to squeeze in one challenge game against Mna Na Deirge who were a grade 3 team. This game gave us an idea of where we were in terms of development and what areas of the team we needed to work on. It also left us in no doubt that to be competitive in the league and championship, we would have to work much harder. The girls responded magnificently to the challenge set down and training sessions were very enjoyable, and the girls quickly bonded as a team and worked hard at every session.

The league saw us placed in a group with four other teams and games played on a home and away basis. We started with a home game against St Macartan's on 11th May, a game we won comfortably, and this was followed with an away game against Killeeshil which we also won quite convincingly.

Next up was Aghaloo at home, a very keenly contested game ensued, there was very little between the two teams, while the scoreboard at the end recorded a one-point victory for Aghaloo, an error by the referee in recording a score for us had robbed us of a two-point win. In our next game we came up against a very good Trillick team, we struggled for long parts of the game but showed a huge amount of character to come out the right side of a three-point win. The manner of the victory was hugely satisfying and the attitude of the girls in responding to the challenges presented by Trillick was superb. At the halfway point in the league, we were sitting second in the table and while league positions weren't a major priority the performances of the girls showed a lot of grit and determination and a willingness to work hard. Again, it wasn't just one or two players who were dominating games as is often the case in underage football, we had girls all over the team who were playing with a lot of confidence.

We began the second half of the league with a return fixture away to St Macartan's who, on a day where we done everything except score, managed to reverse the result from the previous fixture. Another win against a much-improved Killeeshil team got us back on track and settled some obvious nerves. Next up was the away game to Aghaloo, the girls knew victory in this game would almost certainly confirm a place in the league semi-final, and what a game of football it turned out to be, we travelled with a depleted squad owing to illness and injuries. Aghaloo got off to the better start and managed to get a 7-point lead on us but by half time we had rallied with some great scores to leave the bare minimum between the two teams.

Once again Aghaloo started the better and we were struggling to get scores ourselves, with no subs the girls went into the last quarter well behind on the scoreboard and almost dead on their feet such was the effort they had put in. To their credit they never gave up and hit a purple patch which culminated in a last-minute goal to win by two points. The effort required to turn this game around cannot be underestimated and the pride the girls have in wearing the blue jersey was clear for all to see at the final whistle. We finished the league off with a convincing win over Trillick who simply had no answer to our girls who dominated all over the pitch. We finished top of our league having won 6 out of our 8 games, and with the best defensive record in the group. Our reward was a league semi-final at home against Edendork, going into the game on the back of some great performances we were quietly confident, however it turned out to be another one of those games where very little went right, while we ended up losing by two it could have been so very different, in our last attack of the game we came very close to scoring a winning goal when the ball hit the post.

Championship performance - in the championship we played Killeeshil in a preliminary round game at home, we recorded a comfortable enough victory to see us into a quarter final against a much-fancied Cookstown team who had already won the grade 2 league final. The girls knew their toughest assignment lay ahead but they prepared brilliantly and at half time in the game we were leading by a single point, this was the first game all season where Cookstown had found themselves behind at half time.

The second half got off to the worst possible start with a Cookstown goal and we had to endure a ten-minute period where we simply couldn't get the ball out of our own half and though we did rally late on and added to our scoring tally we came up short in a hugely entertaining game.

While the girls have no silverware to show for their endeavours during the season, they can be immensely proud of their efforts and there should be no doubting just how much progress they made as team and individuals during 2021.

Coaches - Lindelle McCrory, Barry O'Connor
Covid Supervisor - Aine O'Connor

U16 Girls

Grade 2: League - Played 4, won 1, lost 3 and drew 1. Championship - Played 1, lost 1

League Performance - The girls had a poor start to the season against a very strong Aghaloo side and current championship finalists. As a result of excellent attendance and effort at training they produced some impressive performances, which was not reflected in their final league position. The girls fought extremely hard against Cookstown coming from 7 down with 2 players sinbinned and deserved more than a draw. Against Trillick a last-minute goal deprived them of victory. The final league performance was a great team display against St Macartan's winning 2-12 to 2-6.

Championship Performance - This championship match was always going to be a difficult contest against a confident and competent Aghaloo side, who had won the treble at U14 level 2 years prior. The girls produced their best performance of the year, despite being unable to field their strongest team due to health issues and exam commitments, however they considerably reduced the margin of defeat suffered in the previous league game. We'd like to thank the girls for their hard work and commitment as the ladies panels continue to expand.

Coaches - Caitlin Kelly, Grainne McCann, Noleen Carland

Minor Girls

Grade 2: League - Played 5, won 3, lost 2. Championship - Played 3, won 2, lost 1.

League Performance - After a shaky start to the League with a defeat to Fintona the girls regrouped and worked hard performing well as a team in their other 3 league games against Kileeshil, Glenelly and St Macartan's to secure a place in a league semi-final. The girls met a very strong Moortown side up in Moortown and fell short. After not starting the league well to reach a semi-final was an excellent achievement.

Championship Performance - Our first game of the championship we met a solid Kileeshil side. In a tight hard-fought game, our girls never panicked and never give up and came away with a win.

Next up in the semi-final we met Glenelly away, the girls put up their best performance of the season and came away with an 8-16 to 3-09 victory and a place in the championship final. The girls met the talented Moortown side once again in Kildress in the championship final and again fell short at the final hurdle against a strong Moortown team who have many players who start in their senior team and who went on to win the Junior Championship. The girls should be proud of their efforts this season. This is a young side with many of the girls still playing U16 football this season and only three overage for minor football next year.

Coaches - Ciara Heagney, Grainne McCann, and Sharon-Kate Mulryan.

Senior Ladies

Grade 2: League - Played 10, won 6, lost 2, drew 2. Championship - Played 4, won 3 and lost 1.

League Performance - A solid league campaign from our senior ladies this season, the strongest in several years. Slow to get going the ladies found themselves only taking away 1 point from their opening league game against the Moy, but this then was the wake-up call they needed to find their form. A full panel was required all throughout the league with continuous fixtures and numerous injuries, each of the ladies stepped up and put in a full effort to get their team over the line.

Impressive wins over top of the table Trillick, Castlederg, Badoney, Loughmacrory, Dromore and Edendork left the ladies sitting in a strong position. A hard-fought draw away to Drumragh and defeats against Fintona and, their final league game, Ardboe saw their season finish. The ladies found themselves sitting 4th in the table at the end of their season and this was a testimony to the hard work and effort put in all year by both the players and management.

Championship Performance - The senior ladies had their most successful Championship campaign since 2013 to date. With the biggest Senior Ladies panel ever seen in the club, of 35+ girls, they started from the preliminary round against a strong Drumragh side. The Cappagh girls set the tone for their campaign putting in a fantastic team performance and racking up a strong score line to get a fine win. This form then continued, as well as the high scoring, into the next 2 rounds of their Championship against both Edendork and Castlederg with impressive wins over both.

The Championship final saw the ladies take on a well set up Trillick side who unfortunately came out on top on the day. Albeit the ladies did not get the results they wanted, but the buzz brought to the club, youth and community for this occasion was immense. It was outstanding to see the ladies get the recognition they deserve and inspire so many young girls within the clubs to aspire to play for the Senior ladies in the future. Overall, this was a fantastic Championship campaign for the ladies, with impressive score lines, fantastic team performances and strong foundations built as a panel for moving forward.

Coaches - John McMenamin, Fiona Maguire, Patricia McCrory and Sharon-Kate Mulryan

Gaelic 4 Mothers & Others

Team Performance - Another successful year of running of Gaelic4Mothers&Others initiative in the club. 2021 saw the ladies mark their 3rd year of running and are still going as strong as ever. A number of new members have joined, and further interests are still keen to get involved, the initiative has brought great life to many members who have never been involved before. A quieter year than usual in terms of game time, with one 1 game played against the ladies from Rock, as part of the 3rd birthday celebrations. However, the ladies showed true team spirit all throughout the year. During lockdown, the ladies took on a Miles Challenge in a bid to keep fit & active during this time. Collectively the ladies clocked up almost 2,500 miles over an 8-week period, including a Sunday morning team climb of Mullaghcarn. In May, the ladies and some of our youth girls, took part in Pieta House Darkness into Light walk around the local roads. The ladies have now commenced their indoor training for the winter season and all new members are welcomed along.

Coaches - Kate McAleer, Aimee Kelly.

Cappagh Ladies would like to thank all the parents for their cooperation throughout what was another challenging year for everyone. Special thanks also to our Covid Supervisors for the commitment they gave to ensuring the safety of the children and coaches. We would also like to thank our club referees Fearghal McDonald, Frankie Sweeney, Brian McGinn and Conal McGinn for all their help when we needed a referee for challenge games throughout the year.

Hurling

Team U13 Hurling

League: Played 7, won 1, lost 6.
Championship – Played 1, lost 1

Team performance - The hurling team was newly formed prior to the entry of the league & the vast majority of the players would not have played competitive hurling previously. Training commenced 2 weeks before the 1st League match & we had a turnout of 20 to 25 players training 2 nights a week over the course of the league campaign.

Initially our team appeared apprehensive and understandable nervous with the few players who had experience carrying the fight to the opposition.

As the season progressed the experienced players became less conspicuous. The new recruits to hurling grew in stature and confidence. The turning point in the season came against Eoghan Ruadh Dungannon who would go on to be county champions.

After a 1st half where we shipped several soft goals, the team came out in the 2nd half without fear or respect for the opposition. Eoghan Ruadh only managed one more score in this half & their coaches really appreciated the intensity our team brought onto the pitch. Killyclogher hurling was back to performing at the level it should be accustomed to.

League performance - Fought hard in all games except against Omagh where they lost their shape

Coaches - Jason McGlinchey, Brendan Gallagher, Paul McCarney, Barry O'Neill

Handball

Due to covid handball was hit very hard with no indoor play. We are very lucky to have the two outdoor walls and ran 6-week blocks of one wall that turned into 12 weeks in the summer for our juvenile players. We ran a socially distanced doubles tournament for our adult competitors, this was a very successful day with many players taking part.

In September restrictions lifted and we could return to indoor play with covid restrictions. This has seen our juvenile handball numbers swell and handball looking strong for the future.

The adult Winter league has started, and numerous games have been played, this should finish by Christmas.

We have had success in Golden Gloves in Belfast where Karla Corcoran was runner up in the girls 13 & under 40 x 20. Well done Karla!

I would like to thank the coaches (Barney McAleer, Ciaran Carland, Michael Franey, James Molloy, Paul Mullen and Brendan Gallagher) who have kept handball running through these unprecedented times.

Paula Clarke

Grounds and Buildings

Since the Club Convention of 2020 progress has been made in relation to the development of the physical facilities at the club.

Car Park & New Entrance - It is clearly visible that the works to reinstate the old Gaelscoil site are now at a very advanced state. It was hoped that all of this work would have been completed in time for this convention.

The overall footprint of the site has now been clearly established. At a meeting on site on 23rd November 2021 an agreement between the Department of Education, the contractors and the development committee was reached that following the placement of kerbing at the base of the banking the contractors would leave the site until the end of January 2022 to allow for initial settlement prior to the upper level kerbing being completed and the final top coating being formed.

Additionally, this agreement will allow the Dún Uladh Contractors and the Department of Education to begin the restoration of Dún Uladh property, also occupied by the Gaelscoil, to its original state thus leaving the entire site usable, productively, by both communities.

A drainage system and ducting for street lighting has also been installed on the area to allow the club to light the area properly, when funds become available. Fencing, vehicular and pedestrian gates will also be installed to allow safe access to the area.

In the interim the new driveway, new entrance security gates, associated footpath and street lighting will need to be installed with almost immediate effect. Plans to complete this task are currently being made. As activity on the site is now at a minimum this work will be given proper consideration and all should be completed, hopefully, by mid to late February.

Flood Bank - Additional drainage will be required before any real use can be taken from the space at the bottom of the training field. The drains are already made at the ball stop end and along the face of the flood bank. The intermediate drains are now required. Planting trees along the bank will add to strengthening it and this work will be carried out at an appropriate time in the coming year.

New Terracing - Spaces remain for groups or families to 'purchase' steps at the terracing where their names or family names will be engraved and remain as a permanent fixture acknowledging the overall development of the club.

Grounds Maintenance - At the beginning of the first lockdown the normal grounds maintenance plan was significantly reduced due to the financial constraints which followed the curtailment of fund-raising activities. It has now become very evident from the current state of both playing fields that the club needs to return to the normal maintenance standards. No sand has been added to the field for the past two years and this now needs to be considered as an absolute necessity. Sand has become an expensive commodity and we must maintain the excellent standards we have become used to.

Grounds Clean Up - Thanks is extended to the members who attended the annual grounds clean up prior to the start of the season. The work of the Ladies Senior team in painting the steps and aisles on the stand was greatly appreciated and maybe could be idea for other independent units within the club to take on specific tasks inside the club grounds. I refer such tasks as collecting plastic bottles from the grounds on a weekly basis, tidy ups on the stand and terracing following home games, litter picks etc. The list goes on and on.

Walking Path - Plans to complete the walking path have been given serious consideration and the layout of this facility is well established and now awaits a funding development to complete its installation.

Entrance / Exit – Ballinamullan Road - In the relatively recent past a boundary hedge from our property on the back lane was removed. The club have been in contact with the Housing Executive, who are the owners of the adjacent property, regarding the reinstatement of this boundary and have been assured that this work will be undertaken as a matter of urgency. There remains the matter of properly securing this entrance / exit as it has become an extremely useful method of vacating the site following championship games. A proper set of secure gates needs to be located at the top of the roadway, which needs to be built up with proper associated drainage installed.

Additional Works - The pedestrian and vehicle entrances and hedge along Farmhill Road needs to be secured especially when the club is hosting inter-club championship games. These games form an important income stream for club funds and need to be protected.

A further development of the river side of the grounds in the form of terracing and covered spectator accommodation needs to be given serious consideration.

At times during the year some difficult decisions needed to be taken, in order to protect the grounds from unnecessary use. By and large I would like to acknowledge the support the vast majority of team managers and coaches for their help and co-operation in keeping our grounds up to the high standard at which they are. It is encouraging to note that much more use is now being made by using the small field, Duddys, at the road side.

My thanks also go to Kieran McFadden and Eamonn McGrath for their help and advice in this area of club life.

A small working group has been appointed to examine the overall physical development of all the facilities at Ballinamullan. This will include looking at work which remains unfinished and any other additional work which needs to be done. A full report on this will be provided to the incoming committee in early spring. If any of this work is to be completed a proper plan for acquiring funding needs to be put in place.

Scoreboard - The scoreboard has now been fully developed and is controlled largely by a laptop located in the main committee room in the old building. A number of our members have been fully trained in its use. A very useful addition and an appropriate memorial to the memory of Tommy Nugent who was instrumental in the fund raising to install the board.

Match Announcements - As part of our promotion of the Irish Language in the club, match announcements at home games have been done bi-lingually as well as all notices on the scoreboard are displayed in Irish. Two further members have agreed to make the match day announcements as both have sufficient knowledge of the Irish Language to do this. Our thanks go to Lorraine McCusker, who was born in Rannafast in West Donegal and is a native speaker, and Patricia McCrory, Covid Officer with the Ladies Senior football team, have agreed to undertake this important task.

General - From this site was initially acquired in 1980 only a very small area of the site now remains to be developed. This has to be regarded as a truly phenomenal achievement and credit to the membership of this club to be able to make a statement such as this. To complete the entire site by 2030 would be a realistic objective and achievable given what has been done in the past forty years. What a legacy this would be to the GAA community in the parish of Cappagh.

Covid 19 - All members are to be thanked and congratulated on their levels of co-operation in the use of the grounds and buildings during the current pandemic. Special thanks are due to Cathal Green and Kate McAleer for the manner in which they were able to organise team training and games schedules at the grounds. The work of Covid Officers in controlling the sessions cannot be underestimated. To keep all of us safe their task was huge in that they often had to remain in place for the total sessions from the first person arriving to the last person leaving.

Conclusion - My sincere thanks to all our membership, from the very youngest to the very oldest, for their efforts to maintain the standards at Ballinamullan we have become so used to. Our continued support and help from all, however small will always be greatly appreciated.

Dónal Mac Aoidh

Lotto

Fortunately, due to the commitment of a small group of people our club lotto draw is continuing every Monday night. Eamon does the draw live from his home, Niall posts it on social media, Liam checks the contributions from Klubfunder, etc and they pass on the information to Antoinette who checks the computer for the winners. She then informs Niall (who posts the winners on social media) and I and between Margaret and I we make sure all winnings are distributed.

Kevin Green has taken on the role of his mother Helen and helps to collect some lotto's, and for that we thank you. We hope Helen is keeping well. To reduce the handling of pens/lotto tickets, etc, during covid Donal suggested selling half time draw tickets at home games, and this proved successful.

None of the above would be necessary if it wasn't for the continued support of all who contribute to the weekly lotto through Direct Debits, cash payments, Klubfunder, etc. Your contributions are the life-blood of our club and for that we offer our heartfelt thanks.

Mary Meenan

Merchandise

With the extended Gaelic Start and underage sessions and so many new and existing families attending the ongoing activities, there was a big demand for kits and supporters' gear. We were lucky to have been able to accommodate everyone. Owing to the success of the ladies' team, there was also a big demand for club wear.

We introduced two new styles of training tops for children and adults, orders were placed before the end of September and they have proved very popular.

With social distancing, face coverings and hand sanitizers always available we were able to keep the show on the road. Credit must go to all the customers who adhered to all the guidelines.

A big thank you must go to anyone who helped out during busy times and to new people who have offered their services.

Brenda Kerr & Mary Meenan.

Club Shop

The club shop opened 28/5/2021. It was decided that, if possible, the shop would be available for all home games, providing teas/coffees and refreshments. As a result, the shop was opened for 40 games in total covering all matches from U13 hurling up to Senior Men/Ladies. The club also hosted two semi-finals (ladies) & two club championship games (men) - these games proved to be busy and produced good income for club. Thanks goes to all those who helped out with the shop over the year.

Anne Kelly

Fundraising

The fundraising committee faced another year of challenges and financial restraints as Covid 19 among other variants placed immense pressures on clubs and in particular its annual income.

However, our hard-working committee worked endless with a variety of initiatives to fuel income for our club. The initial event was a Christmas draw and although the disposable incomes of many families were under direct pressure this draw was well supported. Next followed the 'Killyclogher cash draw'. An attractive prize of £1,000 saw members and many of the supporting public purchase tickets.

An annual event which always proves very successful with our local golfers was the Annual Golf Outing. Over 60 teams entered the event and with a whole club approach to the planning and organisation its success was evident with positive feedback aplenty. A special thanks to all our existing sponsors for their loyalty and our 6 new sponsors for coming on board to support our club.

The fantastic accomplishments of our Senior ladies and Scór team led to the two 'Big Breakfast' mornings. The hungry dedicated members of our club rivalled in the opportunities to dine with Cappagh's best providing yet again much need funds for our club.

Finally, our 'Take your Pick' event, which required a lot of admin and vigorous marketing demonstrated further victory this year in its contribution to club fundraising.

Many thanks and acknowledgements to our fundraising committee for their ongoing work behind the scenes. We withstood the economic pressures of Covid 19 but continued to apply innovation and hard work to keep the finances of this club in a healthier position. We are looking forward to next year when hope to thrive, yet again and advance towards a more financially stable position.

Roisin Corcoran

Bingo

Unfortunately, due to the dreaded Covid we have been unable to hold our bingo on Monday nights in the Cappagh Parish Hall. During the month of June, we ran Drive in Bingo's on Sunday evening's however due to the moderate attendances which resulted in moderate prize money which had the knock-on effect of reduced numbers the next Sunday we had to stop these as they just weren't viable. A big thank you to all the club personnel who turned out to help at the Drive in Bingo so that they all ran very smoothly and to John Hutchinson for his ever efficient and enjoyable calling of the numbers.

Cairde Cappagh

Cairde Cappagh continues to provide vital financial support to enable the club to provide the best facilities and resources so that our players get quality training and coaching to enable them to enjoy Gaelic Games and strive to be the best they can be. A big thank you to all those who continue to support the club financially through Cairde Cappagh - it really is appreciated.

A big welcome to our new members who have joined in 2021. Everyone's continued support provides much needed financial assistance to ensure future development plans will become a reality. If you would like to join Cairde Cappagh and help to keep this club great don't hesitate to get in touch with any of the Committee or our Cairde Cappagh coordinator Pat McCrory.

Health and Well-Being

2021 saw our official recognition as a GAA Healthy Club having fulfilled all the requirements over the previous year.

December 2020 through to January 2021 we ran the 'Keep Cappagh Cosy' campaign in partnership with SVP and were delighted with the great response which was hugely appreciated by our local branches of SVP helping to provide oil for needy homes in our area.

The food bank collection points in the local shops continue to be well supported by all our members and we were able to facilitate the delivery of selection boxes and donations from the Christmas Santa weekend. SVP are delighted to partner with us, and we will continue to promote and support their initiatives.

June 21 - Covid restrictions had continued through the spring, so our first meeting took place in June when we were delighted to welcome some new members Amy, Anna, Bryan, Ferghal and Kerry bringing lots of expertise and enthusiasm to our group.

July 21 - Updated the noticeboard, checked our first aid stocks, arranged to regularly carry out defibrillator checks. Kerri produced a great series of posts offering advice on nutrition and health

Sept 21 - Met with coaches and child protection officer and discussed working together along with Croke Park on anti-bullying campaigns starting with online signposting during anti bullying week

Nov 21 - Mental health continues to be a focus and along with our underage players we promoted the Take 5 Campaign with a series of online videos. We continually signpost to various help agencies eg. www.youth-wellness-web

Online training Healthy clubs (15.9.21) was provided by Croke Park and well-attended

Our club continues to be a No Smoking Area and new signage to be put up.

Team - Una O’Kane, Geraldine McCrory, Lorna McGrath, Sharon McGinn, Bryan Kelly, Dr Ferghal McVerry, Amy McPhillips, Anna Nugent, Kerry Quinn.

Membership

Unfortunately, we were unable to build on last year's growing membership. Our membership numbers have fallen marginally in the past year from 651 to 628 registered members. This consists of 309 adult members and 319 youth members. Our youth members have decreased by 34, whilst in contrast our adult numbers have increased from 298 to 309.

Registration will be opening soon for 2022 so we are appealing to all the people of the Parish to get involved, help out and come watch our games, and pride yourself in being a member of Killyclogher / Cappagh GAA.

The club will hold a registration event early in the new year or alternatively you can contact any member of the committee who will only be too happy to help you get registered. You can also pay your membership through Klubfunder.

Our membership is as follows: Adult - £30, Youth - £10

One Parent Family with two or more children - £50

Two Parent Family with two or more children - £80

Referees

Once again, we are indebted to our referees Kevin Taggart, Conal McGinn, Fearghal McDonald, Brian McGinn and Frankie Sweeney for carrying out refereeing duties for the club. Not only did they cover the requisite league and championship games for the County Board, but they also covered numerous challenge game that enabled both our male and female teams prepare for their relevant competitions. Every year it appears to be getting harder to attract referees and there are clubs in the County who have no referees so a big thank you to Kevin, Conal, Fearghal, Brian and Frankie for refereeing for the club.

If you are reading this and would like to get involved in refereeing don't hesitate to contact the Chairman or Secretary of the club and you'll be pointed in the right direction.

Children's Officer Report

Covid 19 has had a huge impact on the physical and mental health of children and young people as training and socialising opportunities such as those offered at CLG Coill an Chlochair N. Mhuire were abruptly brought to a halt. Throughout this period Club Youth Officers and Coaches tried to maintain the link and offer training activities to do at home to keep connected to our underage members, a huge well done on all these efforts. When it was safe to do so, all activities recommenced with appropriate safeguarding mitigations in place, ably assisted by our Covid Supervisors, again thanks to all those that carried out that role.

As club Children's officer over the past year, it was imperative that the application of relevant legislation, Covid updates and GAA codes and guidelines were adhered to and implemented to ensure that all young people could participate when it was safe to do so, enjoy and benefit from all activities offered at CLG Coill an Chlochair N. Mhuire. Throughout the year a conscious effort was made to ensure all Access NI vetting and re-vetting took place for all club coaches and volunteers, this work is still ongoing. Covid 19 has impacted on the training of coaches and the wider roll out to children and parents on CLG Coill an Chlochair N. Mhuire new code of conduct and behaviour policy. This has been rescheduled to early 2022. Over the reporting period complaints and any breaches of the GAA code of behaviour have been investigated and dealt with in a sensitive manner.

Again Covid 19 has impacted on the roll out of the anti-bullying workshop for club officials and coaches, this has been rescheduled. Throughout the year I have continued to influence policy and practice within the club to ensure that there exists a quality child centred atmosphere & ethos. I have offered support and guidance to the youth officers as and when required. Moreover, I attend and report regularly to the Club executive committee as well as supporting the efforts of the health and wellbeing committee were there are initiatives that support the wellbeing of children and young people. The Annual Audit of best practice in Child Protection and Welfare was completed and submitted.

Key priorities going forward include the Code of conduct work with children, parents and coaches, greater consultation with our underage players and encourage greater involvement of parents/carers in club activities.

Mairead McMullen - Children's Officer & DCSO

Cultural Committee

The 2021 report from Cultural Committee is unusual in that it focuses on the 2020 season. Having been paused in Spring 2020 the competitive series of SCOR resumed in October 2021 bringing forward the 2020 competitions.

Our club had attained County Championship honours in Rince Seit (Set Dancing) at the time of the pause so on resumption in October 2021 it was straight into the Provincial heat.

On 30th October in Silverbridge, Co Armagh our dancers attained the Provincial Championship Title, taking them to the All-Ireland competition in Mayo on 20 November 2021.

Recognising the great honour and indeed responsibility going forward to represent the Club, County and Ulster the whole team including dancers, mentors and support volunteers worked tirelessly during that compressed preparation period to deliver a sterling performance in the competition. This they did with great acclaim although the ultimate goal of All Ireland Glory eluded them.

Understandably disappointed, however, everyone would emphasise and cherish the very special experience so evident during the build-up and indeed at the competition.

A massive thanks to all who contributed to this experience, the Club, County Board, Ulster Council, the local community, those who supported fundraising events, Dún Uladh and the many supporters who travelled to the competition at each level.

The participants drew much strength and determination from the core ethos of The Association to "restore national pride through the promotion of our games, pastimes and cultural pursuits".

Ádh mór to Coill an Chlochair N. Mhuire in continuing this important cultural journey.

Paula Clarke & Patricia Mullan

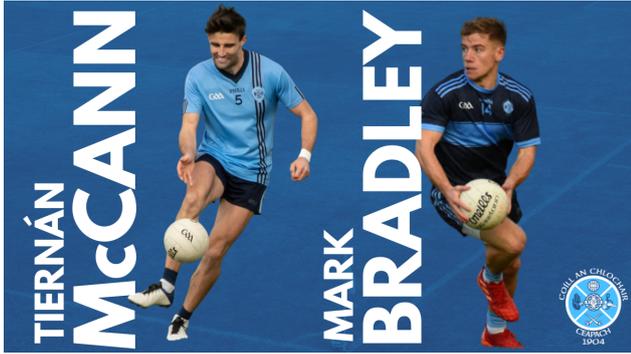

Sponsors

Once again, a big thank you to all our sponsors you have been very generous over the years. Killyclogher / Cappagh GAA would not have the facilities it has without your support. In another year of Covid when things have been very tough financially for many businesses you were not found wanting and your continued support is really appreciated. Thank you.

Condolences

I would like to extend my condolences on behalf of the club to all those who lost loved ones in the past year. This is a difficult time for you all and our thoughts and prayers are with you. *Go ndeana Dia trocaire ar a anam.*
